Experience

Buzzivo Solution | Creative Designer **January 2026 – Present**

Working as a Creative Designer at **Buzzivo Solution**, responsible for creating and maintaining the company's visual identity. Designed the official company logo and developed a complete corporate branding kit, including brand guidelines, business cards, letterheads, presentation templates, and marketing materials. Create engaging designs for digital and print platforms, ensuring brand consistency across all communications. Collaborate with teams to deliver creative solutions that strengthen brand recognition and support business growth.

KS Smart Solution Pvt. Ltd. | Graphic Designer **April 2025 – January 2026**

Worked as a Graphic Designer at KS Smart Solution Pvt. Ltd., delivering creative solutions for major organizations and government institutions, including **Chennai Metro Rail Limited (CMRL)**, **Chennai International Airport**, **TANGEDCO (TNEB)**, **Department of Information and Public Relations (DIPR)**, and **Co-optex**. Responsible for designing social media creatives, campaign materials, event branding, promotional assets, and corporate communication materials that supported public engagement and organizational objectives.

Successfully managed multiple design projects, ensuring high-quality output, brand consistency, and timely delivery. Developed creative concepts and visual campaigns for both digital and print platforms, helping clients strengthen their communication and outreach efforts.

For Chennai Metro Rail Limited (CMRL), worked on several high-profile projects, including PM and CM event backdrops, inauguration branding, culvert design materials, public awareness campaigns, and the complete design and layout of the CMRL Annual Magazine. Managed the magazine design from concept to final production, ensuring a professional, visually engaging, and brand-compliant publication.

For **TANGEDCO (TNEB)**, played a key role in designing electrical safety awareness campaign posters, particularly during the monsoon and rainy seasons, to educate the public on electrical safety precautions. Also designed a wide range of campaign posters, awareness creatives, and public communication materials for TANGEDCO, supporting statewide safety and awareness initiatives.

Additionally, contributed to projects for **DIPR**, including creative design support for the **Tamil Nadu Finance Budget 2025**, developing visually impactful materials to communicate government policies and announcements. Collaborated with Chennai International Airport and Co-optex on branding, marketing, and promotional design projects.

Throughout my tenure, demonstrated strong creative thinking, attention to detail, and project management skills, consistently delivering professional, impactful, and purpose-driven designs for large-scale government and corporate campaigns.

Innoblitz Tech | Junior Graphic Designer

January 2024 – December 2024

Joined Innoblitz Tech as a Junior Graphic Designer and began my professional journey in the creative industry. Worked closely with senior designers, assisting in the design and development of UI/UX interfaces for mobile applications and websites, gaining valuable experience in user-centered design and modern digital workflows.

Contributed to branding and marketing projects for well-known clients, including SSI TMT Steel and Sri Durga TMT. Created professional design materials that helped strengthen brand identity and communication, receiving positive feedback from clients for creativity, quality, and attention to detail.

Designed a wide range of creative assets, including logos, corporate branding kits, company profiles, brochures, storyboards, magazines, books, marketing materials, and social media creatives. Actively participated in brand identity development, helping businesses establish a professional and consistent visual presence.

Through collaboration with experienced designers and client-facing projects, developed strong skills in branding, typography, layout design, visual storytelling, and creative problem-solving. This role provided a solid foundation in graphic design, improved my technical and creative abilities, and prepared me for greater responsibilities in branding, advertising, and visual communication.
